FROM: William Scott, President, Harrisburg Utility Company, Inc. *MEM for*

DATE: November 18, 2011

RE: Request of Harrisburg Utility Company, Inc., in response to the recommendation of the Administrative Law Judge to the Commissioners (DOCKET NO. W-02169A-11-0238) for an extension for filing comments to December 20, 2011.

Harrisburg advises the Commission that it did not receive a copy of the Staff Report nor the Proposed Order in the above Docket and hereby requests an extension of time for filing comments because insufficient time is not now available to give the matter adequate consideration after having acquired said documents. Please grant an extension to December 20, 2011, for the filing of comments by Harrisburg. Also, please pull this item from the Commission's Open Meeting to be held on: December 13, 2011 and December 14, 2011.
